2016 VINTAGE

A definitively charming, generous wine!
Pale yellow with tints of green, silver and gold, it is bright and bursting with youthfulness.

The nose is pleasant, with mineral and lemon notes after a touch of aeration. More fruity notes follow, including Mirabelle plum, raspberry and apricot, as well as touches of vanilla and gingerbread.

On the palate, the attack is supple at first then reveals volume and body on the mid-palate. There is fine balance supported by a gentle acidity, characteristic of our Abeille de Fieuzal white wine. Overarching citrus zest aromas are subtle yet persistent,.
The finish is long and classic, perfectly in line with previous vintages.

This wine is an excellent pairing for oysters and fish but also white meat, citrus and certain strong cheeses.
