

## 2019 VINTAGE

L'Abeille de Fieuzal 2019 has a pale-yellow lemon colour with delicate bright silver tints.

The aromas are multi-layered, typical of Abeille white. At first, we find notes of camomile, mimosa flowers and buttercups, which evolve into white fruits such as pear, quince and pineapple, and finally aromas of bitter orange, clementine and lemon.

On the palate, there are two distinct dimensions: a gentle, silky beginning supported by a superb backbone of freshness that completes the experience with length, purity and elegance.

This wine will be a natural accompaniment to spicy dishes and seafood.
