

2020 VINTAGE

The wine has a deep ruby colour with purple tints, offering notes of forest fruits including wild blackberries, blueberries, blackcurrants and raspberries.

The palate is intense, driven by generous fruit, with gentle peppery notes offering a hint of freshness. There is balance and tension throughout, with a finish that is long-lasting and aromatic.

Precision, freshness and a touch of sappiness give an impression of real elegance, validating our decision to harvest earlier than ever before. The wine leaves us with notes of liquorice and cocoa powder, rounding off the tasting with real promise.
